

Ari's Squires' Elevate Her Leadership, Coaching & Positive Influence Club for Girls
Application Form for Girls ages 11-17

THIS EXCLUSIVE OPPORTUNITY IS LIMITED TO ONLY 25 GIRLS IN THE NATION

Yes! I am ready to invest in my daughter's future and give her the experience of a lifetime!

Young ladies need positive affirmation, knowledge and the tools to succeed. Information is a start. Too many young ladies look to inappropriate role models to guide them. Many suffer from low self-esteem, lack confidence and look to their peers or the TV for guidance on how to act and dress. Unfortunately too often, this just worsens the problem. The more positive input that is fed to them, the more they become empowered and emboldened. A Coaching & Leadership Club for Girls is a wonderful way to treat your girl(s) to an experience that can change their lives.

The investment you make in the special girl in your life to be ELEVATED includes:
